Attorney Docket No.: Q79404

In compliance with the concise explanation requirement under 37 C.F.R. § 1.98(a)(3) for foreign language documents, Applicant encloses herewith a copy of a Communication from a foreign patent office in a counterpart application (Korean Office Action dated March 31, 2010 in Korean application no. 10-2004-0005360) citing such documents, together with an English-language version of the Communication indicating the degree of relevance found by the foreign patent office.

JP-A-10-222305, cited and discussed in the Korean Office Action, was previously submitted as part of an Information Disclosure Statement filed on January 28, 2004, and thus is not being listed in the present IDS.

The submission of the listed documents is not intended as an admission that any such document constitutes prior art against the claims of the present application. Applicant does not waive any right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
